

Here's To The Crazy Ones

HERE'S TO THE CRAZY ONES

"The misfits, the rebels, the trouble-makers - we see them as genius!"

The round pegs in the square holes! The ones who see things differently. They're not fond of rules, and they have no respect for the status-quo. You can quote them, disagree with them, glorify, or vilify them. But the only thing you can't do is ignore them. **Because they change things. They push the human race forward.**

And while some may see them as the crazy ones, **we see genius.** Because **the people who are crazy enough to think they can change the world, are the ones who do.**
